Greetings from the Community Foundation!

This is our first newsletter of 2011. You may have noticed that it looks significantly different than the last newsletter you received in 2010. The Community Foundation marketing committee determined a four-page color newsletter was more cost effective than our existing eight-page version. We are confident that despite the fewer pages, we will still be able to communicate with you effectively.

2011 has also brought a few changes to our Board of Directors and Advisors. Meet our new Board members on page 3. We, however, say good-bye to three long-time Board members. Jerry Abbott has served on our Board of Directors for 10 years, and served as President from 2004-2005. Jerry and his wife, Jean, have very deep roots in Hendricks County and are never bashful about telling the Community Foundation story. His financial expertise and knowledge of the Community Foundation's history have always been an asset to the Community Foundation. He will continue serving on our finance committee.

Keith Brock also served on our Board of Directors for 10 years. He was a wonderful asset to our grant committee because he researched the grantees and asked wonderful questions. He is very faithful, thoughtful and caring about the west side of our county. When his father passed away, he started the Brock Family Fund to continue to give back to Hendricks County. Keith will continue to serve on our Lilly Endowment Community Scholarship committee.

Phyllis Gladden also served on our Board of Directors for 10 years. She has been invaluable in the agriculture community; helping with the Agriculture Breakfasts we had for several year. Phyllis has also given generously of her talents by donating hand-painted porcelain china for many of our auctions and fundraisers.

Although these three individuals may be ending their tenure with our Board, we are confident that they will continue to give where they live. We have been blessed by their service. Thank you – Jerry, Keith, and Phyllis!

2010 ended on an exciting note. Our assets once again reached above \$8 million. The increase in assets allowed our grantmaking to exceed \$625,000 in 2010. For a complete list of funds and grants made in 2010, please visit our website at www.hendrickscountycf.org. We are thankful for the continued generosity of our fund representatives and donors whose contributions grow our assets and grants. Please consider a donation today via the enclosed envelope or on our website.

The Hendricks County Community Foundation continues to support Sheltering Wings which provides emergency housing for all women and children suffering from any form of domestic abuse. Pictured above is the expansion project in March 2011 and a conceptual drawing of the expansion. In 2010, HCCF awarded Sheltering Wings a \$10,000 grant from the Deedee Daniel Opportunity Fund for their new expansion and a \$25,000 grant from the Anderson Family Fund for general operating expenses.
