HoneyBaked Ham Helps The Habit of the Heart Fund

Avon – HoneyBaked Ham Co and Café in Avon is offering its customers a way to purchase discounted products while helping the Habit of the Heart Fund at the Hendricks County Community Foundation. Customers receive a discount on select products by printing coupons off their website (www.fundraiserhbhavon.com/directions.html). When redeemed, HoneyBaked Ham will make a donation to the Habit of the Heart Fund.

Kevin West of Honey Baked Ham shares, “I am offering this discount through the end of the year to help an organization that is important to me as well as our community. The Habit of the Heart Fund is a fantastic program that reaches out to women and children in Hendricks County with emergency needs. I like the grass roots approach, utilizing the schools in the county to facilitate making lives better.”

Executive Director of the Community Foundation Janet Haley commented, “HoneyBaked Ham and Kevin’s family have worked with our Habit of the Heart Fund for several years. We appreciate his commitment to help the women and children in our county through this fund.”

The Hendricks County Community Foundation manages a \$6 million collection of funds that are created by individuals, families, businesses and organizations for charitable purposes. The Habit of the Heart Fund has granted over \$35,000 to women and children in Hendricks County for emergency needs including eye glasses, hearing aids, dental work, clothing and other essential items.
