Step 2. Read the welcome page carefully and then click on “Create a new account.”

Step 3. Complete the form with the appropriate information using your most current tax information and/or estimates.

Step 4. After completing the form, you will want to click on “Submit Your Estimator.” Here you can choose to have your report mailed or emailed. You will then need to sign the release form by typing in both the parent and student names, and then submit your Estimator.
